Loving Lord Jesus, The Bible says that the wages of sin is death.
Forgive my sins, wash me with the holy blood of Jesus Christ and
give me the grace to lead a righteous life.
In Your matchless name I pray. Amen.

Two identical black and white line drawings of a man hugging a dog. The man is on the left, wearing glasses and a short-sleeved shirt, with his arms around the dog. The dog is on the right, sitting and facing the man. They are in a park-like setting with trees and bushes in the background. A small ball is on the ground to the left of the dog.

All we like sheep have gone astray; we have turned every one to his own way and the LORD hath laid on him the iniquity of us all. Isaiah 53:6

If you could be any kind of animal, what animal would you like to be? Some of you might choose to be a sheep. Do you know very much about sheep? I found some very interesting facts about sheep. For example, did you know that.

- A grown female sheep is called a ewe. A grown male sheep is called a ram.
- Baby sheep are called lambs. There are more than 1000 different breeds of sheep. In the country of New Zealand, there are more sheep than people (10 to 1). A lamb can find its mother by the sound of her bleat.
- Every sheep looks different, and even though we humans sometimes can't tell them apart, the sheep can.
- Did you know that sheep are mentioned more times in the Bible than any other animal? Sheep and lambs are mentioned about 400 times in the Bible.

The Children of God are referred to as sheep throughout the Bible. Why? For one thing, raising sheep has been an important way for people to make a living for thousands of years. People in Bible times knew a lot about sheep, so they were a good object to use in teaching. Another reason is because we humans have so much in common with sheep.

For example, sheep aren't very smart. If a sheep tries to go through a hole in the fence, and the hole is too small, he will just keep on trying to go forward instead of backing out. Like sheep, we aren't very smart either. We keep on doing the same things over and over and expect different results.

Sheep are followers. If one sheep moves, the others will follow even though it may not be a good decision. If the lead sheep jumps over a cliff, the others are likely to follow. Sometimes we too. We follow what other people are doing, even though it may be harmful to us. Sheep sometimes wander. They graze without paying attention to where they are going. They may be unable to find their way home even when it's within sight. We sometimes wander too. We stray away from what God has taught us to do. Like the sheep, we sometimes can't find the way home even when it is in plain sight.

Fortunately for the sheep, the shepherd is there to rescue them and bring them home to the sheep fold. Fortunately for us, we also have a Shepherd to rescue us and lead us home. In our Bible lesson today, the prophet Isaiah said, "All we like sheep have gone astray; we have turned every one to his own way; and the LORD hath laid on him the iniquity of us all." He was foretelling that Jesus was coming to rescue the straying sheep. All of us like sheep have gone astray. Fortunately, we have a shepherd to lead us home. Jesus is that Shepherd. Dear Father, we thank you for sending your Son to save us, your lost and straying sheep. Amen.

For the message of the cross is foolishness
to those who are perishing, but to us
who are being saved it is
the power of God.

CHILDREN'S BIBLE STORIES

THE DONKEY

One day a farmer's donkey fell down into a well. The animal cried piteously for hours as the farmer tried to figure out what to do. Finally, he decided the animal was old, and the well needed to be covered up anyway; it just wasn't worth it to retrieve the donkey.

He invited all his neighbors to come over and help him. They all grabbed a shovel and began to shovel dirt into the well.. At first, the donkey realized what was happening and cried horribly. Then, to everyone's amazement he quieted down.

A few shovel loads later, the farmer finally looked down the well. He was astonished at what he saw.. With each shovel of dirt that hit his back, the donkey was doing something amazing. He would shake it off and take a step up.

As the farmer's neighbors continued to shovel dirt on top of the animal, he would shake it off and take a step up. Pretty soon, everyone was amazed as the donkey stepped up over the edge of the well and happily trotted off!

MORAL : Life is going to shovel dirt on you, all kinds of dirt. The trick to getting out of the well is to shake it off and take a step up. Each of our troubles is a steppingstone. We can get out of the deepest wells just by not stopping, never giving up! Shake it off and take a step up.
