'God Blesses Us To Be A Blessing Unto Others'

2011

we experienced and are going to experience four unusual dates : 1/1/11, 1/11/11, 11/1/11, 11/11/11; that's not all ... take the last two digits of the year in which you were born; now add the age you will be this year, and the result will be 111 for everyone!

For example - Harry was born in 1957, and $57 + 54 = 111$

This year October will have 5 Sundays, 5 Mondays and 5 Saturdays.

This happens only every 823 years.

My Dear Little Bundles of Jojooooooy, God gave His only Son so that you and I could have an abundant life now and for eternity. Because of Christ's finished work on the cross, all of our sins—past, present and future—are forgiven. Our salvation is won. We are made righteous by His blood. Our bodies are healed and our future is bright. Christ paid completely and perfectly for our total forgiveness, righteousness and every blessing! What a wonderful truth to keep in your heart during this RESURRECTION season! Remember that when you pray, God hears you. Your failures won't stop Him from responding to your prayers. You can run boldly to His throne of grace and enjoy His presence and His love... because Jesus died on the cross for our sins and rose from the grave for our justification. You are greatly blessed, highly favored and deeply loved! Have a blessed Easter!

Our journey began at **Genesis** through **Exodus**. On the way, we saw **Leviticus** recording the **Numbers** of people at **Deuteronomy**, while **Joshua** was waiting at the beautiful gate for Judges to see **Ruth** calling loudly "**Samuel, Samuel**". At a stage, the first and second **Kings of Chronicles** were coming to visit **Ezra, Nehemiah** and **Esther** for the misfortune of **Job**, their brother. Then they noticed that Mr. **Psalms** was teaching his children **Proverbs** concerning **Ecclesiastes** and **Songs of Solomon**. This coincided with the period that **Isaiah** and **Jeremiah** were engaged in **Lamentation** for **Ezekiel** and **Daniel** their friend. By that time, **Amos** and **Obadiah** were not around. Three days later, **Hosea, Joel** and **Jonah** travelled in the same ship with **Micah** and **Nahum** to Jerusalem. More also, **Habakkuk** visited **Zephaniah** who introduced him to **Haggai** a friend of **Zechariah** whose cousin is **Malachi**. Immediately after the old tradition, **Matthew, Mark, Luke** and **John** got involved in **Acts** with the **Romans** who were behaving like the **Corinthians**, who were also always at loggerhead with the **Galatians**. At that time too, the **Ephesians** realizing that the **Philippians** were close to the **Colossians**, suggested to the **Thessalonians** that they should first of all see **Timothy** who had gone to the house of **Titus** to teach **Philemon** his younger brother how to read and write **Hebrew**. On hearing, **James** asked **Peter** to explain to him how the three **Johns** have disclosed to **Jude** the **Revelation** of our Lord Jesus Christ.

God's Way

A friend and her husband were invited to spend the weekend at the home of her husband's employer. My friend, Arlene, was nervous about the weekend. The boss was very wealthy, with a fine home on the waterway, and cars costing more than her house. The first day and evening went well, and Arlene was delighted to have this rare glimpse into how the very wealthy live. Her husband's employer was quite generous as a host, and took them to the finest restaurants. Arlene knew she would never have the opportunity to indulge in this kind of extravagance again, so was enjoying herself immensely. As the three of them were about to enter an exclusive restaurant one evening, the boss was walking slightly ahead of Arlene and her husband. He stopped suddenly, looking down on the pavement for a long, silent moment. Arlene wondered if she was supposed to pass him. There was nothing on the ground except a single darkened penny that someone had dropped, and a few cigarette butts. Still silent, the man reached down and picked up the penny. He held it up and smiled, then put it in his pocket as if he had found a great treasure. How absurd! What need did this man have for a single penny? Why would he even take the time to stop and pick it up? Throughout dinner, the entire scene nagged at her. Finally, she could stand it no longer. She casually mentioned that her daughter once had a coin collection, and asked if the penny he had found had been of some value. A smile crept across the man's face as he reached into his pocket for the penny and held it out for her to see. She had seen many pennies before! What was the point of this? Look at it," he said. "Read it says."

"In God we Trust?"

"Yes!" "And?...""And if I trust in God, the name of God is holy, even on a coin.. Whenever I find a coin, I see that inscription. It is written on every single United States coin, but we never seem to notice it! God drops a message right in front of me telling me to trust Him. Who am I to pass it by? When I see a coin, I pray. I stop to see if my trust IS in God at that moment. I pick the coin up as a response to God; that I do trust in Him. For a short time, at least, I cherish it as if it were gold. I think it is God's way of starting a conversation with me. Grace for me, God is patient and pennies are plentiful!"

When I woke up this morning lying in bed, I was asking myself, What are some of the secrets of success in life? I found the answer right there, in my very room.

On his first day in office, as President Abraham Lincoln entered to give his inaugural address, one man stood up. He was a rich aristocrat. He said, "Mr. Lincoln, you should not forget that your father used to make shoes for my family."

And the whole Senate laughed; they thought they had made a fool of Lincoln. But certain people are made of a totally different mettle. Lincoln looked at the man directly in the eye and said, "Sir, I know that my father used to make shoes for your family, and there will be many others here, because he made shoes the way nobody else can. He was a creator. His shoes were not just shoes; he poured his whole soul into them."

I want to ask you, have you any complaint? Because I know how to make shoes myself. If you have any complaint I can make you another pair of shoes. But as far as I know, nobody has ever complained about my father's shoes. He was a genius, a great creator and I am proud of my father". The whole Senate was struck dumb. They could not understand what kind of man Abraham Lincoln was. He was proud because his father did his job so well that not even a single complaint had ever been heard.

Remember: "No one can hurt us without our consent."

It is not what happens to us that hurts us. It is our response that hurts us.

Sleepless Night

There was an old Iranian who was intensely proud of two things – his long, white beard that reached down to his chest, and his ability to sleep the moment his head touched the pillow. One day, his 3-year-old grandson asked him how he arranged his beard when he slept: did it go under the blanket or did it remain above it? The old man had

never paid attention to this detail, and he confessed he didn't remember whether his beard remained above or went under the blanket. He promised to find out. It was very cold that night. The old man got into bed and pulled the blanket over himself. Then he suddenly remembered his grandson's question. He became acutely conscious that his beard was under the blanket. He lifted it from under the blanket, and placed it above it. This made him feel that something was not quite right. So he tucked the beard under the blanket again. But he soon felt it would be better if it were out. In and out went the beard; first under the blanket then above it, then under once again. The old man spent a sleepless night. The next morning the 1st thing he did was cut his beard to chin level. **Moral of the Story :** God has made everything beautiful in its time.

Learn from failures

Learn From Failures There Is This Story About A Famous Research Scientist Who Had Made , Several Very Important Medical Breakthroughs. He Was Being Interviewed By A Newspaper Reporter Who Asked Him Why He , Thought He Was Able To Be So Much active Than The Average Person. What Set Him So Far Apart From Other? Responded That , In His Opinion It All Came From An Experience With His Mother That Occurred When He Was About 4 Years Old, He Had Been Trying To Remove A Bottle Of Milk From The Refrigerator , When He Lost His Grip On The Slippery Bottle And It Fell Spilling Its Contents All Over The Kitchen Floor - A Veritable Sea Of Milk". When His Mother Came Into The Kitchen , Instead Of Yelling At Him, Giving Him A Lecture , Or Punishing Him , She Said "Robert What A Great And Wonderful Mess You Have Made', I Rarely Seen Such A Huge Puddle f Milk Well The Damage Has Already Been Done. Would You Like To Get Down And Play The Milk For A Few Minutes Before We Clean, It Up ?, Indeed He Did. After A Few Minutes His Mother Said , You Know Robert, Whenever Yo Make A Mess Like This , Eventually You Have To Clean It Up And Restore Everything To Its Proper Order. So How Would Like To Do That ? We Could Use A Sponge , A Towel Or A Mop Which Do You Prefer ? He Chose The Sponge And Together They Cleaned Up The Spilled Milk. His Mother Then Said, You Know What We Have Here Is A Failed Experiment In How Effectively Carry A Big Milk Bottle With Two Tiny Hands , Let's Go Out In The Back Yard And Fill Th With Water And See If You Can Discover A Way To Carry It Without Dropping It". The Little Boy Learned That If He Grasped The Bottle At The Top Near The Lip With Both Hands , He Could Carry It Without Dropping It , This Renowned Scientist Then Remarked That It Was At That Moment That He Knew He Didn't Need To Be Afraid To Make Mistakes. Instead He Learned That Mistakes Were Just Opportunities For Experiments Are All About. Even If The Experiment " Doesn't Work" ,We Usually Learn Something Valuable From It. Wouldn't It Be Great If All Parents Would Respond The Way Robert's Mother Responded To Him ?, Wouldn't It Be Wonderful If We Could All Respond To People Who Manage In A Similar Manner Too ? Help Someone Learn From His/ Her istakes?.

My dear children Know Your Self" See Your Self" Accept Your Self" Be Your Self" Love Your Self" Trust Your Self" Remember We Are Kept By The Power Of God If We Let Him Keep Us. May God Richly Bless all my little bundles of Joy.

 I have learned that Being kind is more important than being right.
